IMPORTANT INFORMATION ABOUT THE AUTHORIZATION TO DISCLOSE PROTECTED HEALTH INFORMATION

Developed for Texas Health & Safety Code § 181.154(d) effective June 2013

The Attorney General of Texas has adopted a standard Authorization to Disclose Protected Health Information in accordance with Texas Health & Safety Code § 181.154(d). This form is intended for use in complying with the requirements of the Health Insurance Portability and Accountability Act and Privacy Standards (HIPAA) and the Texas Medical Privacy Act (Texas Health & Safety Code, Chapter 181). Covered Entities may use this form or any other form that complies with HIPAA, the Texas Medical Privacy Act, and other applicable laws.

Covered entities, as that term is defined by HIPAA and Texas Health & Safety Code § 181.001, must obtain a signed authorization from the individual or the individual's legally authorized representative to electronically disclose that individual's protected health information. Authorization is not required for disclosures related to treatment, payment, health care operations, performing certain insurance functions, or as may be otherwise authorized by law. (Tex. Health & Safety Code §§ 181.154(b),(c), § 241.153; 45 C.F.R. §§ 164.502(a)(1); 164.506, and 164.508).

The authorization provided by use of the form means that the organization, entity or person authorized can disclose, communicate, or send the named individual's protected health information to the organization, entity or person identified on the form, including through the use of any electronic means.

Definitions - In the form, the terms "treatment," "healthcare operations," "psychotherapy notes," and "protected health information" are as defined in HIPAA (45 CFR 164.501). "Legally authorized representative" as used in the form includes any person authorized to act on behalf of another individual. (Tex. Occ. Code § 151.002(6); Tex. Health & Safety Code §§ 166.164, 241.151; and Tex. Probate Code § 3(aa)).

Health Information to be Released - If "All Health Information" is selected for release, health information includes, but is not limited to, all records and other information regarding health history, treatment, hospitalization, tests, and outpatient care, and also educational records that may contain health information. As indicated on the form, specific authorization is required for the release of information about certain sensitive conditions, including:

- · Mental health records (excluding "psychotherapy notes" as defined in HIPAA at 45 CFR 164.501).
- · Drug, alcohol, or substance abuse records.
- · Records or tests relating to HIV/AIDS.
- Genetic (inherited) diseases or tests (except as may be prohibited by 45 C.F.R. § 164.502).

Note on Release of Health Records - This form is not required for the permissible disclosure of an individual's protected health information to the individual or the individual's legally authorized representative. (45 C.F.R. §§ 164.502(a)(1)(i), 164.524; Tex. Health & Safety Code § 181.102). If requesting a copy of the individual's health records with this form, state and federal law allows such access, unless such access is determined by the physician or mental health provider to be harmful to the individual's physical, mental or emotional health. (Tex. Health & Safety Code §§ 181.102, 611.0045(b); Tex. Occ. Code § 159.006(a); 45 C.F.R. § 164.502(a)(1)). If a healthcare provider is specified in the "Who Can Receive and Use The Health Information" section of this form, then permission to receive protected health information also includes physicians, other health care providers (such as nurses and medical staff) who are involved in the individual's medical care at that entity's facility or that person's office, and health care providers who are covering or on call for the specified person or organization, and staff members or agents (such as business associates or qualified services organizations) who carry out activities and purposes permitted by law for that specified covered entity or person. If a covered entity other than a healthcare provider is specified, then permission to receive protected health information also includes that organization's staff or agents and subcontractors who carry out activities and purposes permitted by this form for that organization. Individuals may be entitled to restrict certain disclosures of protected health information related to services paid for in full by the individual (45 C.F.R. § 164.522(a)(1)(vi)).

Authorizations for Sale or Marketing Purposes - If this authorization is being made for sale or marketing purposes and the covered entity will receive direct or indirect remuneration from a third party in connection with the use or disclosure of the individual's information for marketing, the authorization must clearly indicate to the individual that such remuneration is involved. (Tex. Health & Safety Code §181.152, .153; 45 C.F.R. § 164.508(a)(3), (4)).

Limitations of this form - This authorization form shall not be used for the disclosure of any health information as it relates to: (1) health benefits plan enrollment and/or related enrollment determinations (45 C.F.R. § 164.508(b)(4)(ii), .508(c)(2)(ii); (2) psychotherapy notes (45 C.F.R. § 164.508(b)(3)(ii); or for research purposes (45 C.F.R. § 164.508(b)(3)(i)). Use of this form does not exempt any entity from compliance with applicable federal or state laws or regulations regarding access, use or disclosure of health information or other sensitive personal information (e.g., 42 CFR Part 2, restricting use of information pertaining to drug/alcohol abuse and treatment), and does not entitle an entity or its employees, agents or assigns to any limitation of liability for acts or omissions in connection with the access, use, or disclosure of health information obtained through use of the form.

Charges - Some covered entities may charge a retrieval/processing fee and for copies of medical records.

(Tex. Health & Safety Code § 241.154).

Right to Receive Copy - The individual and/or the individual's legally authorized representative has a right to receive a copy of this authorization.

PATIENT PHOTOGRAPHIC AND TESTIMONIAL AUTHORIZATION AND RELEASE

OFFICE FINANCIAL POLICY

We strive to provide and maintain a good physician-patient relationship. Letting you know in advance of our office policy allows for a good flow of communication and enables us to achieve that goal. Please read this carefully and if you have any questions, please do not hesitate to ask a member of our staff.

INSURANCE

- 1. **Upon arrival, please check in at the front desk and present your current insurance card and official identification**. If you do not notify us at that time of a change in insurance, we will assume all the information on file is current and accurate. You will be required to sign and date the file copy of the chart cover sheet. This is your verification of the correct insurance and consent to bill them on your behalf. If the insurance company that you designate is incorrect, you may be responsible for payment of the visit and you also may need to submit the charges to the correct plan.
- 2. Although we try to get current and accurate benefits from your insurance company, it is ultimately your responsibility to understand your benefit plan. It is your responsibility to know if a written authorization or preauthorization is required prior to a procedure, and what services are covered. We try to keep you informed on the status of any authorizations/denials but you should also take an active role in understanding your insurance status, as you are responsible for any balances as a result of not meeting their criteria.

MANAGED CARE

3. If your insurance company requires you to obtain a referral from your primary care physician to see a specialist, you are responsible for providing our office with this information. Any claims denied as a result of not getting a referral may be billed to you directly.

REFUNDS

4. Overpayments will be refunded to the appropriate party, normally the insurance company or guarantor. Patients' refunds will not be processed until all active or past due accounts are paid in full. Refunds of less than \$20 will be retained for future services unless requested in writing from the patient or guarantor.

ALL PAYMENT IS EXPECTED AT THE TIME OF SERVICE

- 5. According to your insurance plan, you are responsible for any and all co-payments, deductibles, and coinsurances for all services determined to be medically necessary. Failure to fulfill your obligations will require our office to report this to your insurance company (may result in termination of your policy) and the IRS (you would be required to report any fees as income on your taxes).
- 6. Co-payments are due at time of service. If you owe toward your deductible/co-insurance for your visit, you will be asked to pay these fees based on an estimated charge by your insurance company's contracted rate.
- 7. If our physician does not participate in your insurance plan or you do not have insurance, payment in full is expected from you at the time of your office visit unless other agreements are in place. For scheduled appointments, all existing balances must either be paid prior to the visit.
- 8. We are not a Medicaid provider. Therefore, we do not bill Medicaid as primary or secondary and you will be responsible for all charges.
- 9. Not all services provided by our office are covered by every plan. Any service determined to be non-covered or not medically necessary by your plan will be your responsibility.

PROCEDURES

PLEASE UNDERSTAND THAT GETTING AUTHORIZATION, AND THE PROCESS FOR SCHEDULING ANY PROCEDURES, TAKES CONSIDERABLE TIME AND EFFORT FROM OUR STAFF. WE UNDERSTAND THAT THERE MAY BE CIRCUMSTANCES THAT REQUIRE YOU TO RESCHEDULE OR POSTPONE YOUR TREATMENTS WITH US. HOWEVER, IF WEHAVE TO CANCEL, RESCHEDULE, OR POSTPONE YOUR TREATMENTS MORE THAN ONCE FOR NON- MEDICAL/INSURANCE ISSUES YOU MAY BE ASKED TO PAY A \$75 FEE.

10. For all procedures requiring sedation, you need to arrive 45 minutes before your scheduled appointment time.

- 11. Failure to do so may result in your procedure (and subsequently scheduled appointments) being rescheduled and will be considered a "late cancellation" subject to applicable fees.
- 12. We provide treatment plan estimates upon request with the understanding that they are subject to change as your policy, benefits, and information provided by your insurance company changes.

APPOINTMENT FEES

WE REALIZE THERE ARE UNEXPECTED CIRCUMSTANCES THAT ARISE WHICH MAY CAUSE YOU TO BE LATE OR NOT CANCEL YOUR APPOINTMENT WITHIN THE REQUESTED TIME FRAME. HOWEVER, WE HAVE TO MAINTAIN A STANDARD POLICY FOR ALL PATIENTS AND BE CONSISTENT IN ITS ENFORCEMENT.

If you are more than 15 minutes late checking in for an appointment you may be charged a \$25 late fee and may be asked to reschedule your appointment.

- 13. We require 24-hour notice for canceling any non-procedure appointments. There is a \$25 charge for appointments if they are not canceled OR if 24-hour notice is not given.
- 14. We require 48- hour notice for cancelling any procedures (ablations, phlebectomy, ultrasound guided sclerotherapy, mass removal, general surgeries/procedures, etc.). Failure to notify our office within 48- hours of a cancellation may result in a non-negotiable \$75 fee.

OTHER FEES

- 15. A \$25 fee will be charged for any checks returned for insufficient funds, plus any bank fees incurred.
- 16. We charge \$25 to copy or transfer medical records (each time). You must provide written consent to send this information and our turnaround time is 48-72 hours for completion.

17. If you have any disability, FMLA, or any other paperwork/forms that need to be filled out by our clinical

*Should you decline this portion of the agreement, there is an alternative form that may be signed.
